IMPORTED AERIAL SHELLS (1.3G)

We have a great selection of fireworks colors, styles, types and effects from around the world and at reasonable prices. We are the largest importer of display fireworks in the upper Midwest. *The list is too extensive to attempt to publish and be current.*

We feature **Pirotecnia Caballer International** of Spain, **Ruggieri Artificier** of France, **Howard & Sons Pyrotechnics** of Australia, **Aoki** of Japan, **S. Mantsuna & Co. Ltd.** of China, Taiwan & Japan, **Lidu** of China, **Sunny International Co.** of China, **Wizard Brand Fireworks** of China, **Shogun Pyrotechnics LTD** of China, and many others! Some have PPI leaders, PPI's time fuse, and commercial black powder lift for greater performance consistency with our own PPI domestic aerial shells.

IMPORT PACKING

Manufacturers are regularly updating their product lines as a result they often change their case sizes and packs. There may be different products numbers for the same item from the same manufacturer as case size and packs change too. Most Oriental Aerial shells are now packed as follows:
